

Basics of Community Based Services for Youth

Course Description

This course covers information that relates specifically to providing Community Mental Health Center (CMHC) Medicaid mental health services to youth and their families. This course has been approved by the State of Kansas to fulfill the requirement for a course on providing Community Based Services (CBS).

Course Objectives

Upon successful completion of the online course “Basics of Community Based Services for Youth,” the participant will have received a score of at least 80% on the Post Test. To attain this score, the participant will have an understanding of Medicaid Community Based Services for youth and their families including:

- Four Values that Support CBS
- The Process by Which Clinicians Determine Serious Emotional Disturbance
- The Home and Community Based Services/Serious Emotional Disturbance Waiver
- Criteria by Which Eligibility for Waiver Services is Determined
- Wraparound as a Philosophy and Process – the Way CBS Does Business
- The Treatment Team – How it is Developed and Who is on It
- How to Build Strong Relationships with Clients, Colleagues and Community Partners
- The Role of Medication in Treating Mental Health Issues
- Two Fundamental Ways to Help Others Manage Their Behavior
