

2019 NOVEL CORONAVIRUS ILLNESS (COVID-19) GUIDANCE FOR KANSAS PREVENTION COALITIONS

TITLE: Guidance for Kansas Prevention Coalitions Concerning 2019 Novel Coronavirus Illness

DATE: March 19, 2020

TIME: 11:00 AM

TO: All KPCCI and PFS funded Coalitions

FROM: Commissioner Andrew Brown

SUMMARY: KDADS guidance to Kansas Coalitions

GUIDANCE: Program and budget reallocation in light of school closing

- I. Due to school closings in Kansas during the State of Emergency, funded Prevention Coalitions across the State should continue to review their remaining budgets and reallocate resources as needed that can be utilized for activities that can be implemented outside of the school setting. Reallocation requests should be sent to KDADS for approval.
- II. Coalitions should continue to submit monthly reports to KDADS for processing by the 10th of every month.
- III. Coalitions should seek guidance and work with the Kansas Prevention Collaborative (<http://kansaspreventioncollaborative.org/>) to identify approaches regarding implementing activities and strategies outside of the school setting.
- IV. Coalitions can reference the “It Matters” website (<http://itmattersks.org/>) for promotional items.
