Purpose

The purpose of this policy is to provide direction and guidance regarding functional eligibility assessment requirements, waitlist management, and associated procedures.

Summary

All recipients of home and community based services (HCBS) intellectual/developmental disability (I/DD) waiver services are required to meet functional eligibility requirements. Community developmental disability organizations (CDDOs) are responsible for completing functional assessments for persons who have been determined to have a qualifying intellectual/developmental disability and, as appropriate, placing functionally eligible individuals on the HCBS IDD waiver waitlist. This document establishes the policies and procedures which direct HCBS I/DD functional eligibility assessments, waitlist management, and the quality review process.

ENTITIES AFFECTED BY THIS POLICY

- Community Developmental Disability Organizations (CDDOs)
- I/DD Community Service Providers
- Managed Care Organizations (MCOs)

Policy

I. General

A. Prior to completion of a functional assessment by a CDDO, the individual must be determined to have a qualifying intellectual/developmental disability as defined in the Developmental Disabilities Reform Act.

B. All functional assessments shall be performed by CDDO staff or by an entity that has entered into an agreement with the CDDO to perform functional eligibility assessments.

1. Contracted entities shall not provide any direct services (including case management) to any individual being assessed.
C. The basic assessment and services information system (BASIS) is the current functional assessment information system used to maintain functional eligibility assessments for the HCBS-IDD waiver program.

D. All functional assessments must be conducted in-person at a location of the individual’s choosing, or, if available, through the use of real time interactive telecommunications equipment that includes, at a minimum, audio and video equipment. Those responsible for conducting the assessment will be flexible in accommodating the individual’s preference for the meeting location and time of assessment.

E. For all individuals offered services, the MCO will authorize services as specified in the plan of care within fourteen (14) business days after it receives an 834 file reflecting the individual’s eligibility for those services.

F. Upon an initial assessment and annually thereafter, for those receiving HCBS IDD services the CDDO shall collect a signed statement providing evidence the person has been provided comprehensive options counseling by the CDDO. A copy of the signed statement will be provided to the participant's MCO.

1. The statement shall provide the following information:
   a. The date the options counseling was provided;
   b. The names of the individual, the individual’s family members, the individual’s legal guardian, if one has been named, and/or significant other who participated in the meeting with the Community Options Specialist;
   c. A listing of options discussed with the individual.

2. The statement shall be used by the CDDO to provide individuals with information on available service providers, provider contact information, and to assist in seeking answers to questions the individual may have regarding providers and services.

3. The signed statement shall be uploaded as an attachment to the initial and/or annual assessment. In cases where options counseling is performed outside the assessment, the signed statement shall be uploaded via the HCBS IDD Upload Utility.

II. Functional Assessments

   A. Functional Eligibility Determination
1. An initial assessment must be completed upon IDD eligibility determination and/or upon the individual attaining the age of 5 years and acknowledging a willingness to accept services upon receiving an offer of services.

   a. Functional assessments are not required for immigrants who do not meet the definition of a “qualified non-citizen” because they are ineligible to receive Medicaid benefits.

2. A person must achieve a minimum converted score of 35 or more to meet the HCBS-I/DD waiver program threshold.

3. Children aged 5 to 11 years of age must score at least a 21 on the children’s assessment and achieve a minimum converted score of 35 or more.

4. The assessment shall be initiated within five (5) calendar days and completed within thirty (30) calendar days from the date of IDD eligibility determination.

5. The CDDO shall enter the data from the assessment and re-assessment into the KDADS’ system of record (currently KAMIS) and utilize the information system for collecting and updating data.

6. The CDDO has seven (7) calendar days from the date of completing the assessment to enter the assessment into the KDADS’ system of record (currently KAMIS). Completion of assessment shall be defined as provision of all supporting documentation and provision of the in person assessment.

   a. An exception to this requirement may be applied in varied and unique circumstances with approval of the IDD Program Manager. The participant’s MCO will receive notification of the exception from the Program Manager.

B. Re-assessments

1. Person’s with reasonable indicators of meeting level of care eligibility are evaluated upon initial application for services and then reevaluated annually, within 365 days of the last assessment. Re-assessments shall include individuals not on the waitlist who are State-funded and/or received a previous assessment of Tier 0. If a re-assessment is desired outside of the annual assessment as prescribed above or the annual assessment is not required, the request for such special re-assessment shall be provided to and reviewed by the HCBS IDD program manager prior to completion of the re-assessment. The HCBS IDD program manager shall respond to each request within ten (10) business days from the date the request was received. An annual re-assessment is not required for individuals placed on the waiting list.
2. Individuals on the waitlist seeking a crisis or exception request, and having a BASIS assessment older than 365 days, are pre-authorized to receive a BASIS assessment prior to submission of a crisis or exception request. The CDDO will notify the participant’s MCO of the request.

C. Assessor Qualifications

1. Assessors must meet the following provider qualifications prior to administering a functional assessment:

   a. Must have a minimum of six months experience in the field of developmental disabilities and;

      (i) An exception may be granted by KDADS on an individualized basis. In such cases, the exempted person must work under the direct supervision of a qualified person.

      (ii) Must possess a bachelor’s degree or additional experience in the field of intellectual/developmental disabilities. Experience may substitute for the required education at the rate of six months of experience for each semester.

   b. Assessors must complete required assessment training within 30 days from employment and at least annually thereafter.

D. Assessment Disputes and Notices of Action (NOA)

1. Upon completion of the functional eligibility assessment, KDADS shall issue the NOA.

2. If a functional assessment determines an individual is ineligible for services, the individual shall have the right to appeal. The NOA issued shall provide the following information for those seeking to appeal the functional assessment determination:

   A request for a state fair hearing request must be in writing and signed. State fair hearing requests must be sent within 30 days of this Notice of Action to:

   The Kansas Department of Administration
   Office of Administrative Hearings
   1020 S. Kansas Ave.
   Topeka, KS 66612

   In the event your request for a state fair hearing is granted, you may represent yourself or be represented by legal counsel, a relative, a friend, or a spokesperson.
3. If during the annual functional re-assessment a change in the individual’s tier score occurs, but the individual remains eligible for HCBS IDD services, the individual shall not have the right to appeal.

E. Recoupment

1. If during a quality review or other instances it is determined the functional assessment was not applied accurately, KDADS may recoup the previous payment for the inaccurate functional assessment.

2. If during a quality review or other instances it is determined a functional assessment was not completed within the required time frames as documented in waiver performance measures, KDADS shall recoup any previous payments for such assessments.

III. HCBS IDD Waitlist

1. KDADS shall maintain a single statewide HCBS-IDD waitlist for individuals waiting to receive services from the HCBS-IDD program.

2. KDADS shall provide CDDOs access to the waitlist at least on a semi-annual basis. The list shall include the following:
   a. Individual’s Name
   b. Individual’s SSN
   c. Date Added to Waiting List
   d. Date Added to Waiting List will be equivalent to the most recent functional assessment verifying HCBS-IDD waiver eligibility (i.e. tier 1 – 5).

3. If an individual moves from one CDDO area to another, they shall retain their place on the waitlist.

4. Prior to placement on the IDD waiver waitlist, the individual must:
   a. Be determined eligible for the IDD Program;
   b. All non-U.S. citizens must meet the requirements of a “qualified non-citizen”, as defined by federal Medicaid law, before being placed on the IDD waiver waitlist.
   c. Determined functionally eligible for IDD waiver services using the approved functional assessment tool. The date of a completed functional assessment, which
d. Be a legal resident of Kansas, as defined in K.A.R. 92-12-4a;

e. Not be a recipient of other HCBS waiver services, with the exception of individuals currently receiving services through the SED waiver;

f. Be willing to accept services upon offer of service.

5. Individuals who refuse IDD waiver services when an offer of service is made shall be removed from the waitlist.
