

HCBS Final Rule Stakeholder Call

1/20/2021

Noon call (81 participants on the line)

1) Question/Comment: What is the turnaround for receiving feedback?

KDADS: We are working as fast as we can. We received and reviewed one hundred thousand pieces of evidence. We are working them as quickly as we can.

2) Question/Comment: What can we do if we missed the sign up for learning collaborative and remediation trainings?

KDADS: When we are finished with those, the remediation trainings will be posted on the website so you can go through the PowerPoint for that information. We do not have any scheduled after this last one, but we are happy to schedule more if those are needed.

WSU: Previous recordings and slide presentations for the remediation trainings are on the remediation resources tab on the website in the training page.
